

Where in the World?

The Greenwich Pensioners living at the Royal Hospital came from all over the world. Below is a map that shows where in the world the sailors living at the hospital between 1824 and 1853 were born.

Where in the World?

Find the continent where you were born and mark it on the map. Your family may have travelled from another continent. If so, mark it on the map. Now draw a line (or lines if there is more than one place) to show your family journey. Now ask your classmates the same questions and mark it on the map. Here is an example:

Where in the World?

This map shows the birthplaces and where in the world our families come from.
