

DOMES LIGHTING AND PROJECTION APPLICATION FORM

Our beautiful buildings are in a unique setting, in the heart of the UNESCO World Heritage Site in Greenwich on the banks of the River Thames. Our iconic domes and buildings can be illuminated in a host of colours to mark special occasions, anniversaries and highlight causes.

Organisations and charities wishing to promote their causes by lighting up, projecting images onto walls or flying flags from the buildings and grounds of Old Royal Naval College (ORNC) must request permission from the Greenwich Foundation for the Old Royal Naval College.

All requests will be considered according to several criteria that meet our organisational aims (relating to the history and values of ORNC and supporting an exceptional visitor experience), for example campaigns must be inclusive, relevant and cannot be political. All requests will be considered and approved by the leadership team (and in some special cases, English Heritage).

Approval is also subject to whether there is already an agreement with partners and stakeholders for lighting or flag flying and/or if there are commercial events taking place in the buildings at the same time. Please note that we reserve the right to cancel the dome lighting/projections at short notice, for example to reflect international/national events or if we receive a commercial event booking.

The Greenwich Foundation is an independent and impartial charity, and we rely on several income streams to help meet our mission to preserve the Old Royal Naval College and engage people in heritage.

Our rates for the Dome lighting are £950, £475 for charities.

If you would like to request the lighting up of our domes, apply via the form below, at least 14 working days before your event and someone will be in touch within 3 working days with our response. (please send your form direct to events@ornc.org.uk)
